

OPERATOR SUPPLEMENTAL QUESTIONS May 2025

Instructions for Supplemental Questions:

Please be sure to answer the supplemental questions thoroughly and accurately. Applicants are responsible for clearly, completely, and accurately identifying their qualifications. Your responses to the questions must be supported by both the work experience listed on your application as well as your resume. The rating of the supplemental questions may determine your application status and/or rank on the eligible list. Responses should be sufficiently detailed to assist in evaluating your qualifications for this position. Writing 'see resume' or 'N/A' is not a sufficient response (unless indicated).

Type a thorough response to each of the following questions. Specify what you would do as well as the reasons behind your actions.

Questions 1-4:

1. Please describe the skills and experience you currently have that make you a good candidate for a Wastewater Operator?
2. While working on plant site, you observe a contractor for SVCW using a power tool with a damaged power cord that sparks with each use. Please describe what you would do.
3. What is the temperature range of a Mesophilic anaerobic digester? Why is temperature a critical parameter in this process?
4. SVCW promotes a Strong Safety Culture:
 - a. Please describe what a “Strong Safety Culture” means to you.
 - b. Please describe your current employer’s safety culture.
 - c. Please describe one safety item in your current job that you would change if given the opportunity.
