

**ENVIRONMENTAL COMPLIANCE SPECIALIST
SUPPLEMENTAL QUESTIONS
April 2026**

Instructions for Supplemental Questions:

Please be sure to answer the supplemental questions thoroughly and accurately. Applicants are responsible for clearly, completely, and accurately identifying their qualifications. Your responses to the questions must be supported by both the work experience listed on your application as well as your resume. The rating of the supplemental questions may determine your application status and/or rank on the eligible list. Responses should be sufficiently detailed to assist in evaluating your qualifications for this position. Writing 'see resume' or 'N/A' is not a sufficient response (unless indicated).

Type a thorough response to each of the following questions.

Questions 1-3:

1. What interests you about working in wastewater and environmental compliance, specifically in a public agency setting.
2. Describe your experience inspecting sites with pretreatment devices/systems. Which personal qualities help you most when addressing violations you've identified?
3. Summarize your experience in public outreach and educational activities. How will your experience help you in this position?
