RFIS FROM PROPOSERS (Q) AND RESPONSES FROM SVCW (A)

(Q1) As stated in the RFQ: "The Proposer shall submit an electronic version of its SOQ on a USB flash drive in searchable PDF format." Should SOQs also be emailed or provided in hard copy as part of the submission?

(A1) SOQs need not be submitted in hard copy format or via email.

(Q2) The RFP states that "limited use of 11 x 17-inch tri-fold format pages" will be allowed. Will these pages count as one or two pages towards the twelve-page limit?

(A2) When used reasonably, each included 11 x 17-inch tri-fold format page will count as one page. Per Section 5.2, these tri-fold pages should be used primarily for graphics and schedules.

(Q3) Are two-page resumes for Key Personnel required as part of the SOQ submittal, and if so, are resumes required only for Key Personnel or also for other staff members shown on the organizational chart?

(A3) Resumes of only key personnel are required as part of the SOQ submittal.

(Q4) Is SVCW requiring resumes to be exactly two pages in length, or is two pages the maximum permitted length for each resume?

(A4) The resumes should not be more than 2 pages in length.

(Q5) For purposes of this requirement, how does SVCW define "Key Personnel"?

(A5) *Key personnel are personnel that Proposer believes play a major part in execution of the project, and it is important for SVCW to consider their role in its decision. At a minimum, these should include (per Section 5.3.3):*

- ☐ *Project Manager*
- ☐ *Discipline Leads*
- ☐ *Software Digital Platform Developer*
